This map provides a geographic overview and place name guide to the Khomani San traditional land present day cultural landscapes, territory and specific places that are referred to in the chapters presented in the DVD.

The map also identifies the 62,500 hectares of land that has been allocated to the Khomani San as part of the March 1999 Land Claim. Of this total the 278 sq kms are allocated to the San Heritage Land within the KTNP and 347 sq kms are allocated to the San Farms (see Inset Map).
